

## Deposit and Payment Preference Options

### Deposits

**Deposit by credit card or debit card:** We will make the deduction within 7 days of your registration and process your enrollment (you will receive a confirmation of enrollment). There will be a 2.75% charge added to credit card payments, but there will not be a surcharge on debit card payments.

## Important Facts:

- You can log into your CampInTouch account at any time to view your financial statement, update your credit card information, or make a payment. *This will not exclude you from automatic deductions but will lessen the amount of your future installments.*
- The entire URJ is working remotely at this time and we cannot accept paper checks during this time.
- Please make sure the default credit card on your account is the card you want to use for automatic deductions. *This is important to remember if you login between installments to lessen your balance using a different card, or if you have a friend/family member make a payment using their card.*
- If you will be applying for Financial Assistance, we recommend that you chose the Standard Payment Plan so that you will receive notification of your Financial Award before you have paid a more significant amount of your camp tuition.
- Please note you will need to choose one of the payment options in order to submit the application. If you would like more information to customize a payment plan, you can reach our Business Manager, Jeremy Wasserman, at [JWasserman@URJ.org](mailto:JWasserman@URJ.org) or by phone at 610-668-0423, ext. 1041.
