

# Why HARLAM?

1

*Judaism is joyful*

We provide a variety of meaningful and fun Jewish experiences.

2

*So. Many. Activities.*

Campers have a balanced schedule to ensure they get to do the things they love and may already be good at, while also challenging themselves and trying new things.

3

*We're screen free*

Campers unplug from technology and connect with each other.

4

*We partner to make it affordable*

Grants and scholarships are available to make camp possible for every camper.

5

*You can try it out*

We offer lots of ways to try camp and build confidence and readiness for a future summer.
