CAMP K'TON STAFF

Ewa Białoszewska she/her Supervisor Warsaw, Poland I'm from Warsaw, Poland, and I currently work in an organization that helps immigrants, especially children, to acclimate in Poland. In my free time, I enjoy reading, catching up on my long list of movies and series to watch, and traveling. Lately, I've also gotten into sports like wall climbing and horse riding. This will be my third year as a K'ton supervisor at camp, and I'm excited to continue working with amazing people and creating a fun, supportive environment for everyone.

Ana Arias Parra she/her K'ton Staff Tunja, Colombia I am studying for my bachelor's degree in Modern
Languages. I like to spend my time studying, and
enjoying my time with the people I love. My hobbies are
listening to music, singing in my room, doing my
makeup, cooking and walking outside. My role at camp
will be a specialty counselor in Camp K'ton. I am excited
this summer for the people I will meet and the
experiences I will have.

K'ton Staff
Pasto, Colombia

Hi! I am Kelly and I am from Colombia. I'm getting a BA in Spanish and English and I work as a Spanish teacher with children with special needs. I love trying new activities and creating memories. This is my first year at Camp Harlam but my second at a summer camp, as last year I was at a beautiful camp in NJ. I am really excited about creating experiences, meeting people, learning new things and learning from kids.

Valheria Tamayo
Pardo
she/her
K'ton Staff / Lifeguard
Manizales, Colombia

My name is Valheria Tamayo Pardo and I'm from Manizales, Colombia. I'm currently studying modern languages and have been working at a private child development center, where I lead classes for toddlers, pre-K, and kindergarteners. This will be my first summer at Camp Harlam, and I'm so excited to bring my energy, creativity, and love for working with children to camp. I have a background in education, and I enjoy helping kids learn through play, connection, and exploration. Outside of teaching, I love swimming, running, and spending time in nature.
